DECLARATION of PRINCIPLES

Independent Spiritualist Association

1. We believe in God, {Infinite intelligence}. The source of all creation.
2. We believe that the phenomena of Nature, both Physical and Spiritual, are the expression of Infinite Intelligence.
3. We affirm that the sincere understanding of such expression, and living in accordance with divine law, constitutes true Religion.
4. We affirm that the existence and personal identity of the individual continue after the transition called death.
5. We believe in communication with those who have made their transition into the spirit world.
6. We believe that the highest morality is contained in the GOLDEN RULE; “DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU”.
7. We affirm our individual responsibility, and that we make our own happiness or unhappiness with our choices of nature’s physical and spiritual laws.
8. We affirm that the doorway to reformation is never closed against anyone here or hereafter.
9. We believe in the healing power of God, and that all things are possible when done in accordance with the laws of nature. All spiritual gifts of prophecy, healing, medium communication, and other phenomena, as described in the Bible, are a Divine fact.

SPIRITUALISM is a SCIENCE, PHILOSOPHY, and RELIGION of continuous life; based upon the demonstrated fact of communication, by means of mediumship, with those who live in the Spirit World. Healing in all areas of life, Spiritual, Physical, Mental, and Emotional, is demonstrated through love, spirit guidance, and in accordance with our one true God, who is manifest in full power within each and every soul.

The Spiritualist Religion has proven the belief that God is Spirit; that the part of man made in the image of God is the spirit, which at death of the physical body, like God, lives on eternally. {Jesus Christ taught and demonstrated this truth.}

SPIRITUALIST; is one who believes as a part of their Religion, in the communication between here and the spirit world by means of mediumship and other avenues of truth, and who endeavors to mold their character and conduct in accordance with the highest teachings available, including all truths from spirit communication.
